

FLAT GATE LIGHT KIT

This safety light kit can be easily attached to any flat gate to increase the visibility. Industrial grade LEDs are solid when the gate is fully closed, flashing red when in motion, and solid green when fully open. LEDs flash amber during interlock situations. LEDs can fade off when up (if locked open) during daytime.

HIGHLIGHTS:

- ✓ Safety lighting for flat gates, easy to install
- ✓ Lights up dark areas and increases gate visibility
- ✓ LED retainer tracks attaches to any surface
- ✓ Tough IP68-rated LED strips
- ✓ Versatile, programmable LED Controller

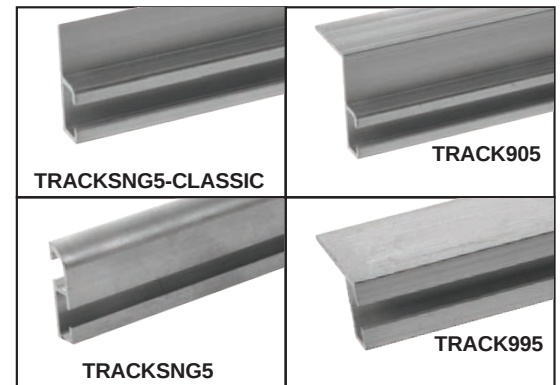

Increase gate visibility for drivers, bicyclists and pedestrians, especially at night!
