

MULTICOM CLASSIC

Cellular telephone entry systems for apartments or gated communities.

- Calls up to 500 apartments from a single SIM card (3 users per apartment).
- Visitors can scroll for residents, or enter apartment number to call.
- HD voice with VoLTE*.
- Prox reader comes as standard.
- Built in time clock for auto opening and closing of gates, barriers or doors in busy periods or for daytime operation.
- Do not disturb feature.

*Requires correct APN to be set and will only be experienced on a VoLTE enabled device.

Programmable with the AES PRO APP.

Works with our multi network AESIM.

aesglobaltelecom.com
